Dear Ms. Callahan:

Greetings from the Cayuga Nation. We hope that all is well.

On August 24, 2005, the Cayuga Nation received notification of the annual government-to-government meeting with senior EPA Officials to be held in Syracuse, New York on November 14-17, 2005.

I was quite surprised to learn of the gentleman by the name of Daniel Hill, who claims to be the Cayuga Nation Environmental Technician. This letter, is notifying you that he is not representing the Cayuga Nation on Environmental Issues.

The Cayuga Nation has not filled this position since Timothy Ttwoguns termination. We are unaware of the circumstances that appointed Daniel Hill to this position.

At this time the Cayuga Nation is formally withdrawing from the H.E.T.F. program. We are re-evaluating this program within the Cayuga Nation.

If you should have any questions, please feel free to call me at (716) 337-4270.

Oneh,

Clint Halftown
Cayuga Nation
